Nightingale House Hospice have an opportunity for a Speciality Doctor to join our team on a permanent basis. This would suit someone who is motivated, flexible and who has an interest in palliative care and is looking to develop their experience and skills in this area in a supportive environment. The role will be within the Medical Team and work closely with the Medical Director. There will be opportunities to participate in education and audit, as well as to deliver excellent care to patients and their loved ones in our 12 bedded inpatient unit and in outpatients.

The role will be based at the hospice, joining our friendly, knowledgeable, experienced and well-supported multi-professional team in our brand new redeveloped Inpatient Unit and wellbeing centre. Your role will be to deliver medical and specialist palliative care to patients in our Inpatient Unit and wellbeing centre, in a holistic manner, considering social, emotional and spiritual health as well as physical symptoms. Our aim is to provide individualised care, seeing the patient behind the diagnosis, so they can achieve the best possible quality of life with their loved ones. There will be excellent support for personal development and opportunities for quality improvement work.
