#### **About Nightingale House Hospice**

We are an ambitious organisation providing specialist palliative care services, completely free-of-charge, to patients and their families across a wide area stretching from Wrexham, Flintshire, and East Denbighshire to Barmouth and the border towns including Oswestry and Whitchurch. It costs £5.6m per year to run the Hospice, with only 20% of our funding provided by the government. We are reliant on the support of the community we serve to donate and fundraise to maintain our vital services. Over 400 volunteers give their time to the Hospice helping us run efficiently and effectively as part of the local community. This year Nightingale House Hospice is celebrating 30 years of providing compassionate care and strive to see this continue for future generations.
