

Text to Donate – Terms and Conditions

Donating by text is a fast and easy way to support Nightingale House Hospice. Just text the relevant keyword to 70450, and the donation amount will be charged to your mobile phone bill or deducted from your pay-as-you-go credit.

1. Who We Are

This text donation service is operated by Donr Ltd on behalf of Nightingale House Hospice (“we”, “us” or “our”). Donr is a UK-registered company, regulated by the Phone-paid Services Authority and the Fundraising Regulator.

2. Eligibility

- You must be aged 16 or over.
- You must have the bill payer’s permission before donating.
- Text donations are only available from UK mobile networks. This excludes mobiles from the Channel Islands, Isle of Man, or international networks.
- If texting from a UK mobile while abroad, additional network charges may apply.

3. Charges

- The donation amount will be the value advertised with the keyword.
- Your network’s standard text message charge also applies.
- No VAT is charged on donations.
- We will receive 95% of your donation.

4. Gift Aid

If you’re a UK taxpayer, we can claim an extra 25% on your donation at no cost to you. A follow-up message will invite you to complete a Gift Aid declaration. Please only complete this if you are eligible (i.e., you pay at least as much UK income or capital gains tax as we will reclaim on your donations).

5. Privacy and Data Use

We do not use your data for marketing purposes unless you’ve previously opted in to/via Nightingale House Hospice

Donr collects your mobile number and donation amount on our behalf. This data is used to:

- Process your donation;
- Provide receipts;
- Manage failed donations or refunds;
- Analyse our fundraising income.

If you opt in to Gift Aid, additional data (name, address, postcode) will be used solely for that purpose and shared only with HMRC. We do not use your data for marketing unless you’ve opted in.

If your donation fails:

- Check the keyword and short code;
